Contact & Circuit Board Cleaner

Why was CONTACT & CIRCUIT BOARD CLEANER developed?

Contact & Circuit Board Cleaner was developed to give you an economical cost efficient contact and circuit board cleaner when flammability is not a concern.

DESCRIPTION:

Contact & Circuit Board Cleaner is an excellent bench maintenance degreaser, flux remover and body oil remover. It is intended for various uses, such as: vending machines, slot machines and electronic equipment, when flammability is not a concern.

PERFORMANCE CHARACTERISTICS:

- Contact and circuit board cleaner of choice when flammability is not a concern
- Removes dirt, flux, oil, grease and other contaminants from precision equipment
- High Solvent Cleaning Power
- Non-Conductive to 25,000 volts
- Non Ozone Depleting
- Dries Residue Free
- Displaces Moisture

SUGGESTED USES:

- Contacts
- Circuit Boards
- Flux Removal
- Vending Machines
- Copiers
- Electronic Equipment
- Cash Registers

REMOVAL SPECIFICATIONS:

No removal necessary.
